User has to click on New Price Calculation.

The screenshot shows the AERMS (Assam Excise Revenue Management System) interface. The user is logged in as Queen Hazerika (New License User). The navigation menu includes Master Data, License Management, Brand Label Registration, Dashboard, Users, Stock Receipts, and Appeals & Revisions. The 'Brand Label Registration' dropdown menu is open, and 'New Price Calculation' is selected. The main content area shows 'NEW BRAND LABEL APPLICATIONS' with a table of applications. The table has columns for S.no, Supplier Name, Status, Payment, Label Details, Remarks, and Print. Two applications are listed, both with a status of 'Label Approved Successfully'. A 'Label Register' button is visible at the bottom left of the application list.

User after clicking on New price calculation it will be redirected to New Price Calculation page. User has to click on edit option.

The screenshot shows the 'NEW PRICE CALCULATION' page in the AERMS system. The user is still logged in as Queen Hazerika. The navigation menu is the same as in the previous screenshot. The main content area shows a table with columns for S.No, Product Code, Brand Name, Segment, Pack Type, Product Size, Size In ML, Unit Per Case, Billing Price, MRP, Ad valorem Per Case, Vat, Retailer Margin Percent, Case Wise Margin, Image, and Edit. The table contains three rows of product data. The 'Edit' column for each row contains a pencil icon. The footer of the page includes the Department Of Excise copyright notice, the Assam Build Version V9.1.1.11, and the developer information: C-TEL Infosystems Pvt. Ltd.

User after clicking on edit option it will as to upload the sample Images.

Please Upload Sample Images.

User has to upload the sample images by clicking on upload.

Brand Label Price Change Upload Images

Sample Label Upload*

User has to upload the Sample upload. User can upload multiple samples by clicking on Add-Row.

The screenshot shows a dialog box titled "Sample Label Upload" with a close button (X) in the top right corner. Inside the dialog, there is a table with two rows. Each row has a checkbox on the left and a "Browse..." button on the right. The second row's "Browse..." button is followed by the text "No file selected.". Below the table, there are three buttons: "Remove Row", "Add Row", and "Save".

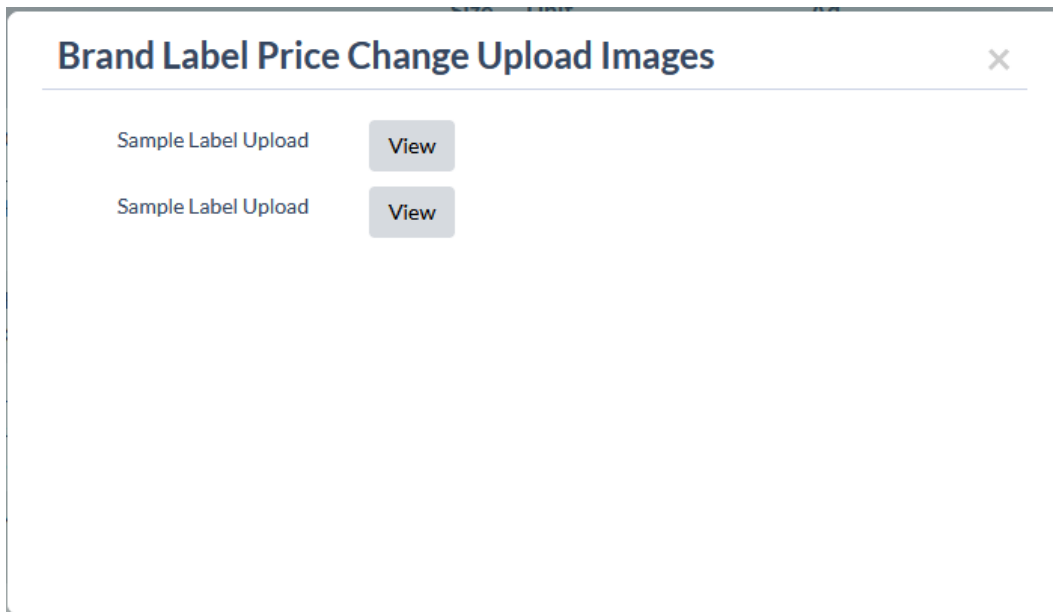

User can upload the multiple sample images in the below manner and should click on save button.

The screenshot shows the same "Sample Label Upload" dialog box. The table now has three rows. The first row has a checkbox and a "Browse..." button. The second row has a checkbox and a "Browse..." button followed by "download.pdf". The third row has a checkbox and a "Browse..." button followed by "download.pdf". Below the table, the "Remove Row", "Add Row", and "Save" buttons are still present.

User after clicking on save button will get the message as Sample label updated successfully.

The screenshot shows a success message dialog box. It contains the IP address "183.82.106.234" and the text "Sample Label(s) updated successfully". A blue "OK" button is located in the bottom right corner.

User after uploading should can also verify the Viewed Images.

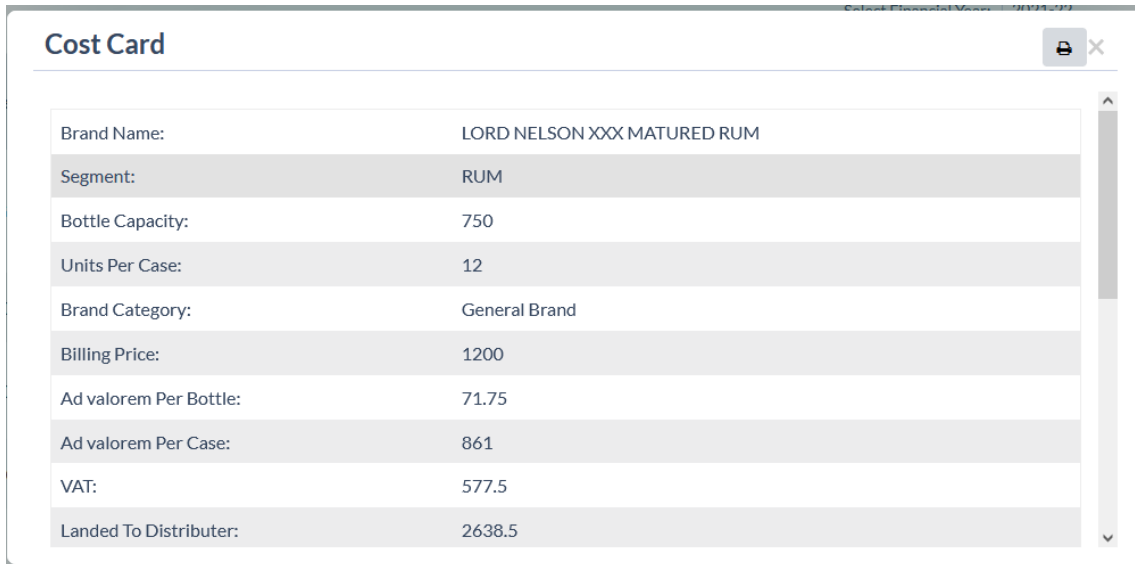

User after uploading the sample images should enter the Ex-Distillery Price, MRP, Distributer's Margin. The retailer Margin is auto calculated.

The screenshot shows a dialog box titled "Brand Label Price Change" with a close button (X) in the top right corner. The dialog contains several input fields:

- Product Code: 1033R0562PQQ
- Product Name: LORD NELSON XXX MATURED RUM
- Ex Distillery/Brewery Price*: Ex Distillery/Brewery Price
- MRP(Rs)*: MRP(Rs)
- Distributer's Margin%*: Distributer's Margin%
